Principal's Appeal

Dear Members of Vimukti Family,

This new year has brought with it many new hopes and challenges for Vimukti. Hope in the form of affiliation given by Rajasthan Board of Secondary Education to Vimukti Girls School upto class X. This will make things easier for our students who complete ninth grade, till now they had to take class X exams through open school system but now they can do so under regular schooling. This further motivates us to make effort towards doing all that is required to get affiliation upto class XII which includes the uphill task of procuring land and constructing our own campus entailing a huge financial burden on Vimukti.

Added to this is the current crisis of vacating the campus we are housed in, which was available to us free of cost, and shifting to a rented one. This means additional expense of almost a lakh of a rupee every month starting March.

We are making every effort to collect funds for the same. I request all of you to help us tide through this situation by contributing as much as you can and also help us expand our donor base by connecting us to your friends, colleagues and other people in your networks. We are also keen to involve more and more corporates/entrepreneurs in our endeavor, so if you can help us reach out to them, it will help us a great deal.

I am sure with your help and support, as always, we will be able to overcome this hurdle in our mission and also achieve our next immediate goal of VGS own campus over the next 2-3 years.

With love & regards,

Shyama Mathur

Principal, Vimukti Girls School
