Two local educational trips were organised for Vimukti students in the last quarter of 2018.

First visit was to Rajasthan Patrika's printing press on 17<sup>th</sup> November. The motive for this visit was to make students understand the working of a printing press. The staff at the press explained to the students how the entire set-up operates, the kind of paper/ink used, costing, process of collecting, designing and editing News.

Second visit was to Fashion Dwar Textile company, RIICO Industrial Area, Mansarovar, Jaipur on 22<sup>nd</sup> November. Students got an opportunity to do printing and screening on cloth. They saw cloth rolling machine and cutting machine. They saw the process of thread cutting and stitching in sequence. Also, students learned basic tricks like how to remove stains from cloth, how to iron clothes in a proper manner. Students also saw the packing section. We are thankful to the owner- Mr. D. K Jain who allowed our students to even practice on machines.
