

# Vimukti Girls School

(A unit of Vimukti Sanstha)

## Newsletter: July-September 2018

### Learning by doing!

Science, Home Science and Maths exhibitions were organized in September. The motive was to give a platform to students for learning practically and to build up their confidence to speak before an audience. Students of class V to XII participated in the exhibitions. Projects were prepared by the students in teams under the guidance of their teachers.

Some of the science models appreciated by all were

- Students made a model of low-cost hydro-electricity generator to overcome electricity crisis in rural areas. They used electric wires, battery, motor of water-cooler for this.
- Water purifier made using net and charcoal
- Projector made out of shoe-box & magnifying glasses

Hydraulic lift, Solar cooker, computer model and ATM machine were also the source of attraction.

In Home Science, the theme was Indian arts and crafts. Students demonstrated how to make Tie & Dye cloth at home at a reasonable price and available items. Block printing was done using vegetables. Doormats were creatively designed out of waste cloth.

In Maths, student prepared games based on fractions and clock. Ancient technique of pictographs was used to show how to take attendance and maintain record.

### Honorary & Executive Committee Members

**Mr. Arun Kumar (Ex Chief Secretary, Raj)**  
Chairman, Vimukti Sanstha
