Keeping the Doors to Learning Open

With the pandemic unabated, VGS continued to use innovative learning and teaching solutions to support at home learning for the students.

The teachers of Vimukti Girls School spared no effort in reaching out to their students and keeping them engaged - not just with academic curriculum, but also by encouraging stimulating creative pursuits through weekly arts and crafts classes.

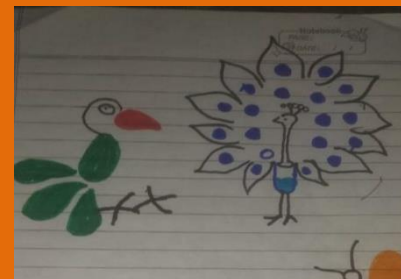

Arts and Crafts

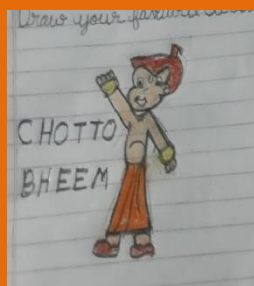

A great way to help girls express themselves, channel their energy, and have fun - all at the same time.

Making Mothers feel Special on Mother's Day

VGS girls express gratitude and love towards their mothers through little gestures ...

Sincere thanks to all our donors for their continued support in these trying COVID times.
