INDEPENDENCE DAY CELEBRATION

Independence Day Celebration was full of nation love and pride as the girls danced and performed beautifully bringing all the colors of the nation together.

We are immensely grateful to the guests & board members who joined us for the celebration. Special thanks to Mr. Gokuldas Maheshwari for joining us and showering his blessings on the girls.

MENSTRUAL HEALTH AWARENESS *P&G's Health & Hygiene Program*

Under P&G's Health & Hygiene Program, the young Vimuktians were made aware of their menstrual health. Sanitary napkins were also distributed.

Story of transformation

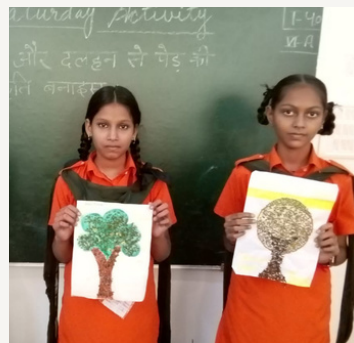

I am the only girl in my family to go to college. My school made me realize how important it is for me to stand on my feet before I get married.

NEETU BAIRWA, THE FIRST DAUGHTER TO STUDY BEYOND SCHOOL

Neetu was studying in a government school till 8th grade before joining Vimukti in grade 9. Neetu's father who is a labourer and could only bear the burden of educating his two sons, wanted to marry her off when she was 14 years old. Luckily someone in the neighborhood convinced him to send Neetu to Vimukti. Last year, Neetu secured 2nd rank in her class in the 12th Board exams, however the pressure of getting married started mounting again after completion of school.

Neetu has been attending career awareness sessions and counseling regularly from the past two years and found her calling in managing events. She convinced her family to let her study for a year more. Under the Career Development Initiatives, Neetu has been enrolled to pursue a 1-year diploma program in Media Marketing & Events from NAEMD, Jaipur.

SNEAK-PEEK INTO ACTIVITY-BASED LEARNING

VIMUKTI SANSTHA
