WE PERFORMED AT THE JULY SHOW!

The July Show was organized by the Community of Dreamers, a community by women entrepreneurs at Peelwa Garden, Jaipur.

We were fortunate to be a part of the event, where we got the opportunity to perform and exhibit and sell items handcrafted by the girls.

A STORY OF HOPE

Lali Devi wants her daughter to excel

Radhika secured 2nd rank in her class in the X board exams. Her mother, Lali Devi was not happy at all. "83% is not enough. She can do so much more, but she wastes her time a lot at home."

Radhika's father who was a bus driver, met with an accident and has not been able to work since then. Her elder sister, Deepika who also studied at Vimukti is the only earning member in the family. She works at a payroll management firm.

Lali Devi with her teary eyes said that since her husband's accident, their lives have been difficult. All their savings were used up in her husband's treatment and he still needs a surgery. "Thankfully Deepika got a job and we are able to meet ends somehow. Relatives say that Radhika should also leave school and start working, but I want her to study and become something in life. We will manage with what little we have."

Radhika has taken up commerce and likes Accountancy. At school, she helps the admin staff in her free time to learn working on a computer. "I want to learn Tally", Radhika says. Tally is a widely used accounting software in India.
