## POONAM PAWAR Our Commerce Wizard!

Poonam comes from a family of sweepers from the slums of Amargarh, Jaipur. Her grandfather, father, mother and most of her relatives work as sweepers at offices, homes, railway stations, etc. Her elder brother did not study and works as a sweeper too.

Poonam loves to study and has topped the school in the board exams! She has been studying at Vimukti since kindergarten and has grown fond of studying Accountancy. "I am applying for Bachelors of Commerce degree and also exploring various professional courses like CA, CS that I can pursue simultaneously."

When asked about her families plan to get her married, she proudly said-"My father will not marry me, not until I become something in life. Girls in our community get married as soon as they turn 18. I am 18 but thanks to the school that my parents have started to support my dreams."
